Health food, seasonings

Characteristic of the product

It is a natural powder made without the use of preservatives, colorings, flavorings, or dextrin. Can be consumed in 100% powder form or as an ingredient for blending. Also, the product does not include caffeine. It helps with the digestion of ginger root. An "Organic JAS" certificated product.

Notice

1. Since it is an agricultural product, the color may vary depending on the harvest timing or for other reasons.
2. In terms of handling the product, we recommend using special protective devices (protective goggles, sterile gloves, etc.)
