

Organically Cultivated

Organic Mulberry Powder

Form

Dry Powder (200 mesh)

Granularity

More than 90% of 200 mesh (75µm) pass

Microorganisms

Common bacteria	3000CFU/g or less
Coliform bacteria	Negative

Packaging

Outer packing: cardboard box
Inner packing: polyethylene bag (double)
Net weight: 10kg
Gross weight: 11.1kg

Recommended use-by date

2 years from the date of manufacturing

Storage conditions

Avoid high temperatures,
humidity and direct sunlight

Usage Examples

Herb tea, "Aojiru" green juice, green smoothie, supplements,
bakkery, etc.

General Description

Name of the plant **Mulberry**

Botanical name *Morus Alba L.*

Place of origin **Japan**

Product Characteristics

A 100% powder product made without the use of preservatives, colorings, or flavorings. Mulberry leaves are rich in minerals, with high calcium content, and are caffeine-free. Through joint research, many active ingredients were discovered including a previously unknown compound, Q3MG, that has many beneficial properties. With a soft smell and slightly sweet taste, this versatile powder can be used as an ingredient in various health foods, confections, toppings, and more.

Notice

Since it is an agricultural product, the color may vary depending on the harvest timing or for other reasons.
